

## **Partnership Terms & Conditions and Loyalty Program for Partners joining Global ESG Partnership<sup>1</sup>**

### **Introduction**

Global ESG Partnership welcomes companies from all industries seeking to incorporate ESG principles into their operations. Our loyalty program is tailored to meet the diverse needs of our partners, offering unique benefits to support and grow your sustainability business.

According to the Charter of Global ESG Partnership NPIO, a partner receives Ordinary Member status upon joining the partnership.

*The application form for joining the partnership is attached.*

### **Partner Benefits**

#### **1. Exclusive Consultations with Global ESG Partnership Experts**

**Personalized ESG sessions:** Upon joining the partnership, each new member receives a personalized consultation with the Founder or leading experts of Global ESG Partnership. These sessions will enable your company to develop an effective ESG strategy and assess current risks and opportunities for improvement.

#### **2. Access to ESG Insights Platform – ESG Library**

- **ESG Insights:** A new partner receives one year of free access to ESG Insights platform, which offers relevant data, analysis and research in the field of ESG all over the world, and presentation materials from the Partnership’s experts. This platform will become an indispensable tool for tracking trends, analysing markets, and making strategic decisions.

#### **3. Priority Participation in Pilot Programs**

- **Pilot Projects:** Partners receive priority invitation to participate in pilot projects and initiatives conducted by Global ESG Partnership together with international and local organizations, including ESG Scoring. This is a great opportunity to implement innovative designs and technology, as well as gain access to the latest ESG developments.

#### **4. Mutual Learning and Mentorship Program**

- **Mentorship:** Participation in a unique program for mutual learning and mentorship where partners can share experiences and best practices with other

---

<sup>1</sup> Please familiarize yourself before submitting an application to join Global ESG Partnership

members of Global ESG Partnership. You will be able to share your knowledge with new partners as well as to learn from industry leaders.

- **Professional Certification.** Partner's representatives (not more than 3 people) receive a 30 % discount on Corporate Management National Academy and ESG Management School training and certification.

## **5. Early Access to New Products & Services**

- **Exclusive Releases:** New partners receive early access to new products, services and technologies developed by Global ESG Partnership. This will allow you to remain in the forefront of ESG and implement the latest solutions before your competition does.

## **6. Participation in Cooperative Marketing Campaigns and Forums**

- **Joint Marketing Initiatives:** Partners can participate in cooperative marketing campaigns and forums organized by Global ESG Partnership. These campaigns will help you build brand awareness, promote ESG's services, and expand your network of international and local business contacts.

## **7. Availability of Green and Social Impact Bonds / Loans Verification**

- The Partnership's experts will provide free advice on the issuance of green and social bonds / loans. They will also help to pre-select the project according to the green taxonomy and jointly draw up an action plan, as well as recommend either an exchange platform or the most suitable loan institution. Green and social impact bonds / loans verification services will be provided at 20 to 50 per cent discount.

## **8. Carbon Footprint Assessment and Verification/Validation of Greenhouse Gas (GHG) Emissions**

- The Partnership's experts will help to sort out the legal technicalities of the Environmental Code of the Republic of Kazakhstan and, in connection with them, develop a documentation package confirming the amount of your enterprise's greenhouse gas emissions on a free-of-charge basis. GHG emission verification/validation services at 20 to 50 per cent discount.
